Date: 7th April 2025

Subject: URG Proposal: "Automated Detection of Cardiomegaly Disease Using Deep Neural Networks Based on CXR Image."

Dear Mr. Omar Al Ghafri ,Principal Investigator

It is our pleasure to inform you that the following URG project has been accepted for funding by the Ministry of Higher Education, Research, and Innovation under the Block Funding Program – 2024 for the amount of "1,500 OMR".

Minatory:

- Dr. Yousuf Al Husaini
- Ms. Yusra Yahya Saleh Al Rashdi

We congratulate you and your team on that effort and look forward to seeing the project output published in high-quality indexed journals.

Thank you.

Dr. Hussain Al Ghafri

Assistant Rector for Academic Affairs & Research
